M/S/A: Karly Wardrop/Mike Ginsberg/Unanimous
4. Review and approval of minutes from September 7, 2023
M/S/A: Karl Wardrop/Beat Hupfer/Unanimous
5. U.S. Ski and Snowboard Staff Updates –
 - a. Alpine Development Director - Chip Knight
Staff meetings coming up this week. Big highlight Ryder Sarchett winning Gold at World Juniors. Good performances from Elizabeth Bocoock. Ten top Ten performances, always room for growth going forward. Nor Ams were more of a Seniors event, especially on gents' side. Won more than half of the Nor Ams. U18s in Jackson Hole were great, not without challenges due to lots of snow fall. U16's great event in Vail. Regions Cup – Western Region was 3rd. Good NPS Burke, two European trips. Whistler Cup results in nothing but gold for Pick up there. Further results reviewed.
Items to review: Men's participation grew, women's participation drop off or flattened a bit in speed.
Looking at level of participation in Nor Ams
 - b. Sports Education Director – David McCann
New LMS is New Start Mobile, very NGB oriented (work with other large sporting organizations). Allows tracking of continuing ed and development credits (alpine and sport agnostic training – mental, physical, team building, etc) Started migrating courses/modules/videos to new platform. Captured all coaches'

memberships to help provide the transfer. July 1st launch. May 1 to July 1 the coach education program will be on hold during the transfer. Streamlining the certification process. Take approx. 12-15 hours to complete the initial certification process. Pending level 100 provides one season access to the venue. Then final on hill to complete level 100 with National Certified Staff. Program Directors will be provided with lesson plans to help work with coaches throughout the season. Will continue speaker series throughout the season, hopefully two times per month. Club Excellence May 17th and 18th (8 continuing education credits)

Moving from piece-by-piece purchase model to a subscription model which will be cheaper for coaches.

Bronze modules are fundamentals, training environment, wellness, etc allow them access to the venues during their first year.

Silver access to Bronze and prep for certification

Gold access to Bronze and Silver certified and access to all e modules. Continuing ed is at this level annually. Coaches will need to add this to their annual membership dues. Credits from Universities and other sports will be recognized towards credits.

NGB will provide a 20% discount this coming season.

Level certifications will be more cost effective. Providing mastering before being tested on materials.

Coaches under 18 will be held in pending status until they turn 18. Still working on this one.

Discussion regarding AO status vs Coaches Ed status clarified for future seasons.

6. Western Region Program Updates

a. Western Region Director – Bill Gunesch

Wrapped up the season at Palisades last Thursday. Great field sizes, near minimum penalties, tough conditions.

Season was difficult at the beginning lots of last-minute changes. Thank Snow King, Park City/UOP, Snowbird for picking up last minute changes. Lost the speed series in Schweitzer. Thank you to all the organizers. Season wraps up this coming weekend with the Golden Rose.

RTG athletes have been named (see attached)

Presented all year end awards at Spring Series (see attached).

PG Team was slow getting started this year due to calendar changes. May project has 20 invites and many development requests. Looking to get larger group of athletes on the snow to get to know Randy and Brad.

Current prep calendar is not on website, will finalize this week and get out on the website and via email.

b. Western Region Youth Development Coach – Jeff Pickering

Firm believer that you cannot just take a look at outcome without peeling the layers back on the prep. Missed big early season projects. AK U16's good event, challenging conditions.

Timing in the calendar needs to be reviewed. AK sea level to 8000 feet 5 days later for U16 Nationals. Noticeable when in Vail that athletes had tough acclimation and opportunity to be on venue. WR plays a longer game due to length of season.

Need to calendar better for development and preparation from Qualifiers to Regionals to Nationals.

c. Western Region Head Coach – Brad Saxe

Nor Am tech was more of a SR oriented series this year. How does this affect the JR athletes in the Region, challenges in advancement.

8 women ranked in top 30 of Nor Am DH standings, 2 on the men's side. Getting better involvement in speed.

Agree with Pick that we are doing well in the long-term development. Need to look at the Elite FIS Series athletes and how they are performing. The population base is spread out, financial piece is challenging. Calendaring challenges, with holiday blocks, and work with our resorts and their needs to help build our calendar. PG program off the ground, headed to Palisades in May.

d. Western Region Elite FIS Coach – Randy Pelkey

not in attendance

e. Western Region Manager – Heidi Voelker

Positive note, wrapping up the seasons budget by this Friday. Closer to the Fall recommend refresher webinar on intent and confirmation process.

Heidi thanked and applauded for her assistance in keeping all coaches on track!

7. Western Region Committee Reports and Proposals

a. Executive Committee Report – Dan Henry

Review of action items from the season.

i. Voted in Vice Chair Devin Gill

ii. SR Nationals Selection updated due to loss of Schweitzer series.

b. Treasurer Report – Troy Price

Region in strong financial standing. Thank you to Bill and Heidi for keeping the budget on track and coaches for keeping projects within budget.

Change to adminskiracing has changed how funds come in. Typically, there were 12 transactions, now over 200. Reconcile the fiscal year on April 30th and full

report at Congress as we still have a few accounts payable. Looking at a profit this season.

Moving old Morgan Stanley account that has been managed by the PNW is being moved over to Western Region. Investment accounts have been doing well. Troy and Lucy are signers on the account.

Current Balances Checking \$185,424 Savings \$154,495

This accounts for the \$10K dollar transfer for reserves.

Proposal to include U16 and U14 Regional Championship TD expense reimbursement beginning with the 23-24 season, based on the same language we use for Regional FIS events TD expense reimbursement.

M/S/A: Troy Price/Kar Wardrop/Unanimous

- c. Site Selection Committee – Bill Gunesch
process will be like last year. Work on developing a calendar by Congress, discussion at Congress meeting, followed by a bid process deadline.
Bill will host a Limited coaches forum of FIS coaches the week prior to in person Congress to discuss dates and keeping them off of Nor Am calendar, regional travel schedule, number of starts, distribution of races.
Bill will be making a proposal that FIS and Jr Champs TCM need to be in person.
 - d. Development Committee – Jenn Danza agreed to continue running this committee. Will be starting to meet again immediately following Congress.
8. National Committee Reports –
- a. U16 and Older Working Group – Todd Brickson
No proposals currently.
 - b. U14 and Younger Working Group – Jeremy Ueland
 - i. Competition with Multiple age classes, course setting matrix, VD
Discussion is based around crossover within age groups. Biggest discussion within SL and matching U10s to U12s
 - ii. U14 SG Training Run Times being posted.
Beat brought forth that we are required to send the results file to process to US Ski & Snowboard so no reason why we should not be able to post times.
 - iii. Beat requested that the group discuss the 60" pole and removing it.
 - c. Coaches Education Working Group – Ben Roberts
No report.
 - d. Quotas and Selections – Beat Hupfer
No report, no activity or proposals so far.
 - e. Regional Subcommittee – Bill Brooks

- i. Single Panel SG – discussion at the last Development Committee meeting, please reach out if you would like to listen to the discussion. Pick is 100% against single pole SG.
 - ii. Required SG TR run for U14s when competing with U16s request a review of the language. Beat will enter a proposal that U14's do not need to run a training run if racing with U16's and older.
 - iii. Ski Up form discussion – reviewed the two different forms. House keeping of the language in the form with Chip and NGB legal.
 - iv. ASC restructuring has been delayed till post Congress.
 - f. Officials Update – Roger Root
Motion to name Gil Dennis in place of Steven Schowengerdt as a WR rep to the AOEWG based on Steve's retirement.
M/S/A: Roger Root/Karl Wardrop/Unanimous
 - i. Divisional Managers in the WEST will be working with ASR on the platform, please provide feedback directly to your Divisional Managers.
 - g. US TD Working Group – Brian Hartman
Have not met this season. Positive Feedback from TD Workshop thank you to Lucy, Laura, Thelma, and Company for the workshop. Any topics/scenarios for the 2025 workshop please provide them to Brian or Lucy. Looking for recommendations for True North Award.
TDs had some concerns about TRS with some snow conditions.
History on U14 no TR time posting, was that the kids could focus on their line and development instead of times.
9. Old business - none
10. New business
 - a. TRS (Thomas Rau Speeran) seeding method.
 - i. feedback from TDs in some areas that snow surface during the 2nd run was questionable, and where the DNF and DSQ's run. These are the challenges for the scored TRS.
 - b. Feedback will be collected regarding online registration system
OC's please provide to your divisional manager.
Question about the U.S. Ski & Snowboard system being reinstated - Chip provided that the system is not being maintained and the NGB is nationally partnered with SkiReg.
11. Motion to adjourn
M/S/A: Ginsberg/Karl Wardrop/Unanimous
12. Next meeting – Monday, May 13, 2024, 15:00 Mountain Time Sheraton Park City
